## CHAIRMAN'S THOUGHTS

Starting with the season 2020 - 2021 of our 2 exhibitions, because we wanted to reward our participants, we introduced Top 25 Best Authors of our association, Campina Photographic Exhibitions Society. This top awards the first 25 ranked authors, taking into account the total number of acceptances and the judge's scores from the 2 annual exhibitions organized by us: CAMPINA and ONYX.

The top from this season 2022 - 2023, was made after our 2 exhibitions: 7th CAMPINA 2022 and 7th ONYX 2023. I am very honored to have had 674 different authors in these 2 exhibitions and with respect and consideration I thank each one of them.

I want to congratulate the first 25 ranked authors, but I also want to congratulate all the participants for being part of our exhibitions and for giving us confidence. The value and competition of this top was very high and I want to tell those who did not enter this edition of the top that their participation was very valuable and the difference was often made at only one point and that they certainly have a chance to enter the next editions.

I'm grateful to Photographic Society of America, Global Photographic Union and Image Colleague Society for their unconditional support for our exhibitions, thank you for our very good cooperation. I am honored to have the patronage of these prestigious associations for our exhibitions!

Our society and exhibitions are made from our great passion for photographic art for other passionate like us and I am very glad that through this top we are able to reward the effort of our participants.

I thank to each author for the confidence with which he participated in our exhibitions. The success of our exhibitions it is due to all authors that participated. Thank you for being with us to build a great tradition of photography, great passion that we love!
